## SENIOR CLASS HISTORY

It was September 1, 1936, and the freshman class met for and all had looked forward to the four years of school to follow.

Our freshman class was made up of twenty-two members who were as follows: Junior Greer, Boyd Henry, Lawrence Shike, Jack Keilman, Bob Greer, Norma Scott, Betty Douglas, Ruth Ricketts, Mary Garland, John Kessinger, Hayse Greer, Chester

Orin Ricketts, and Virgil Johnson. This class was one of the largest in school although in the four years we lost a few of the members.

As it is customary for all freshmen to be initiated, we were initiated by the three upper classes of the school. Also during the year we were invited to a hard-time party given by the sophomore class, and on January 16 we had a sliding party.

Our class was well represented in music and literary contests and Boyd received third in piano. The class was well represented by others in music also.

Some of the freshmen did very well in baseball, basketball. The class had some very promising material for future teams.

The freshman class officers were as follows: Hayse Greer, assistant reporter. The class advisor was Mr. Sperry.

As we hailed into class the fall of '37 our class roll had a new member, Glen Blythe.

The class officers were as follows: Lawrence Shike, President. Our class advisor was Miss Koester.

Unworth blow in from Little York.

The class officers were as follows: John Thompson, president; Marvin Clark, vice-president; secretary and treasurer, Hayso Greer; class reporter, Mary Garland; assistant, Ruth Ricketts; class advisor, Miss Grashling.

In November we presented our Junior play entitled "The Nut From Brazil" directed by Miss Clauson. The play was very successful and brought in good returns to the class.

Ruth Ricketts, Marvin Clark, Chester Gordon, and Mary Garland represented the Junior Class in the literary events of the year.

On May 5th, of '39 we entertained the seniors at our Junior-Senior Banquet at Hawcock's cafe in Kennebec, and after the banquet we attended a movie, "Oklahoma Kid".

This about concluded the activities of the class in the year of 1938-39.

In the fall of 1939 the class came back to its last year of school in the old high school. The fourteen members were as follows: John Thompson, Marvin Clark, Boyd Henry, Jack Keilmann, Ruth Ricketts, Mary Garland, Junior Greer, Lawrence Shike, Bob and Billie Root.

The class officers were Glen Elythe, president; Lawrence Shike, vice president; Jack Keilmann, secretary and treasurer; class advisor, Mr. Remick.

During the year we were well represented in music and Marvin Clark and Mary Garland were out for literary events. We were also well represented in sports; baseball, basketball, and track. The varsity squad of the basketball team which won the Little Pine Trophy was mostly made up of senior boys.

We had a Christmas party and attended a few roller skating parties during the year.

On November 30th, 1939, the senior class presented their play, "Smart Boy", directed by Miss Clauson. A large crowd attended the very successful play, and the class was extremely satisfied with the receipts.

On May 10 we attended the Junior-Senior Banquet sponsored by the Junior class.

Five boys of the graduating class went the full twelve years of school together. They were Jack Keilmann, Boyd Henry, Lawrence Shike, John Thompson, and Junior Greer.

Those who started school here and didn't finish the four years were Betty Douglas, Virgil Johnson, John Kessinger, Zella McIntyre, Norma Scott, Dorothy Smith, Barth Kuller, Orin Ricketts, Lyle McCay, and Charles McKay.

## JUNIOR CLASS PROPHECY

The Junior Class started the year with a small crew of only seven members but sailed along very smoothly and finished the year with all seven "cats" aboard.

In the fall they elected their class officers which were as follows:

The juniors sponsored several different activities during the year in order to make money for the Junior-Senior Banquet which was held on May 10, 1940. The first program which they sponsored was put on by a magician, "Chasan". He presented his program on October 25th. They sponsored two skating rink parties. One was on September 25th at Aloha and the other at Monmouth, March 1st. They also sold candy at the basketball games. Their biggest event of the year was the Junior Play which was presented April 5th. The name of the play was "The Tangled Yarn". They were very grateful to the Seniors who helped them by taking the extra parts. These helping were Esther Clark, Maxine Van Eaton, Rosalind Clark, Richard Griffith, and Howard Shike.

Those juniors keeping the library and office for a period each day were Roberta Ay, Evelyn Shike, and Martha Ranney.

When the seniors presented their play, "Swing High", Martha Ranney and Evelyn Shike each had a part in it.

The boys of the junior class didn't take a very active part in sports. Everett Shike went out for track.

Evelyn Shike and Martha Ranney were the cheerleaders for the basketball team.

## JUNIOR JOKES

Mr. Henwick: Some men thirst after knowledge.  
Some men thirst after wealth.  
Some men thirst after fame.  
Everett, what is something else that men thirst  
after?  
Everett: I'd say salted peanuts.

\* \* \* \* \*

Bobby: I saw a strange sight the other day.  
Gertie: What was it?  
Bobby: A mother kangaroo crying.  
Gertie: But what was she crying about?

✿ ✿ ✿ ✿ ✿ ✿

Lertha: I give up, why?  
sentence.

❖ ❖ ❖ ❖ ❖ ❖

Bill: Say, am I brave! The other day at the zoo a lion came straight at me. He stopped about three feet from me. He pawed the ground and roared; then he started coming again. Closer and closer he came. I could hardly breathe and I could feel his hot breath on my neck as he was rearing louder.

Bobby: Goodness what did you do?

Bill: I walked away from the cage.

✻ ✻ ✻ ✻ ✻ ✻

Allen: Some cows are born with horns, some cows are born without horns, and some cows have them sawed off. But the trouble is she isn't a cow, he's a horse.

SOPHOMORE ACTIVITIES  
(Class advisor--Miss Lerman)

## SOPHOMORE RASH

Listen my children and I'll tell you a tale  
Of a bunch of kids who'll never fail.

First there's "Dickey" that lovable boy,  
Who is the Sophomore's pride and joy.

Next is "Harley" the red haired lad,  
Who like "Dickey" is seldom bad.

Six foot "Eddie" Dye we surmise  
Has a certain failing for big blue eyes.

Then Estaline that lovable lass  
Is the "A" plus student of our class.

Remember "Lou" for when she speaks  
She's sure to talk about Everett Weeks.

Blue eyed Esther has but one dream,  
To sit on a cushion and sew a fine seam.

Then there's "Plush" who likes to play  
When the honorable Mr. Cat's away.

"Dong" Herideth is our ideal Romeo.  
He's hankerin' for a wife who can cook and sew.

Then comes "Lax" with a heart of gold.  
When she rolls those eyes she knocks 'em cold.

"Rosies the gal with the great big voice.  
She lines them up and takes her choice.

"Tank is always with the gals.  
He's one of Mr. Renwick's history pals.

Black haired "Doug" has lots of fun.  
When the teacher appears, watch him run.

"Pooker" Pepper with the languid speech  
Is the little forward with the mighty reach.

Gale Meyers says with a drowned out sigh,  
"It's hard to sit when noon grows high."

Don't forget "Fat" the little "shrimp",  
Because she's a most mischievous im.

## FRESH AN FUTURE IDEAS

 James Davis.....To be a great scientist  
 Betty Penclerick.....To be a busy housewife in Seaton  
 Robert Walters.....To be a contented farmer

## 23rd Issue

Mr. Shelton is our teacher;  
 We shall not want.  
 He maketh us to study at all times;  
 He leadeth us into deep subjects.  
 He refresheth us with new assignments  
 He leadeth us through each day's tasks for our own sake.  
 You, though we walk through the halls each day,  
 We fear no evil, for others are with us;  
 Our books and pencils do not comfort us.  
 He prepares a test for us when we least expect it;  
 He anointeth our report cards with red ink;  
 They runneth over with incompletes.  
 We suppose drowsiness and thoughtlessness  
 Shall be with us all the days of our lives,  
 And we shall dwell in the Seaton High School forever.

## SENIOR PLAY

The three-act play, entitled "Smart Boy", written by Dana Thomas, was chosen for its splendid character delineations which gave each member of the cast an opportunity to display his talent. The play was full of delightful situations which arose when Jimmie Harwicke, a small-town boy, invented a romantic background for himself from a very colorless past. Having laid claim to being the sweetheart of a famous Hollywood star, he suddenly found his life horribly complicated when she arrived at the hotel where Jimmie lived with his aunt and uncle.

After blundering through several rather embarrassing situations and being fired and hired and then fired again by his employer, Pat Gill, Jimmie was able to clear matters up. In the end, the Hollywood star, Leslie Saber, fell in love with Jimmie. Then Jimmie, who was a play-writer, was hired by Leslie's manager to write her next play, and all were happy.

## JUNIOR CLASS PLAY

The name of it was "The Tangled Yarn" (A comedy in three acts)

The story of the play was about Camilla Page, her situation had offered by his magazine for the ideal mother. Camilla had upstairs, and has sent in the picture of herself as the "ideal mother", together with a pathetic history of a daughter, Cora, Vivian, Stuart, and "Pinckney", who died a hero in the war.

Camilla's yarn was all right until it became seriously tangled. His mother arrived to tell him that he wasn't going to get his allowance since he was claiming Camilla as his mother. Then things began to happen very rapidly. Speed Martin, a newspaper reporter, begins to suspect things. Joshua Page, comes into the scene and claims to be their daughter. Things are very complicated and Mrs. Morrison suspects something wrong and demands an investigation from Camilla. Cora finds Speed Martin just too sweet, long lost Claudius.

## LITERARY

When the call was issued for literary contestants this year, the literary events, there was no local contest, except a fiction division. These two were Esther Clark and Estalene Dye. Esther earned the right to represent the school at the County Speech Contest at Joy on April 27.

The four out for literary and their readings were as follows:

Esther Clark Girls' Humorous "With the Photographer"  
Estalene Dye Girls' Humorous "China Blue Eyes"  
Marvin Clark Boys' Oratory "Builders of Destiny"

Of these four, the three who represented the school in her division, Esther Clark placed third in her division, and Marvin Clark placed third in his division.

Although no local contest was held at the high school to determine who would go to the county, we did have a contest and both the high school and the grade school attended this assembly.

The contestants who placed in the county received medals on the morning of May 20, 1940.

## Commercial

The Commercial team made a very good showing in the county contest, both as a team and individually.

Nine schools were represented in the District contest at Keithsburg on April 13. Once again the bookkeeping team did very well, and they won second place. The typing team did much better in this contest and tied for third place. In the individual event Junior Greer placed second.

Taking second place in the District contest allowed the bookkeeping team to qualify for the regional, held at Monmouth on April 27; however, the team didn't place.

The contestants and their events were as follows:

Bookkeeping: Junior Greer, Boyd Henry, Lawrence Shike;  
alternates: Marvin Clark, and Hayso Greer.

### G.A.A.

The Girls' Athletic Association has been organized for four years. We are under the supervision of Miss Esther Bergman. The officers for this year are as follows:

President.....Mary Meehan  
Vice President....Maxine Van Eaton  
Secretary, Treas.....Pat Greer

Every member pays twenty-five cents a year as dues. There are fourteen members.

There was no initiation party this year as there were too many other activities at the beginning of the year; however, we held a party at the school house just after Christmas vacation. Each member brought a guest.

Five of the girls and Miss Bergman attended the Play Day which was held at Joy. Several girls also attended the Play Day held at Kenmouth on May third. They all had an enjoyable time.

The G. A. A. is an organization which most of the schools in the county have joined. All the girls enjoy being members of this fine organization.

## PRIMARY ROOM

The Primary Room began the year with an enrollment of 18. We had 9 first graders, one second grader, and 8 third graders.

The room celebrated the holidays with a party. On Halloween we pinned the cat's tail on and played several Halloween games. At Christmas we had an exchange of gifts. On Valentine's Day we had a valentine box which the third graders had decorated. We had twelve little guests that day. They were the little folks of the community. The Friday before Easter we had an Easter-egg hunt.

The Primary Room entertained the boys and girls who will be first graders next year. We called it Cookie Day. We enjoyed it very much.

Our room was in the Christmas entertainment. The second and third graders were in the play and the first grade sang two songs.

We took part in the program for the P. T. A. We sang "Topsies" from "Topsy Turvey Land". The audience could not tell whether we were coming or going. This year we gave the operetta "Punch and Judy". Our room had a prominent part in this operetta. The characters in the "Punch and Judy" were little mice, a bat, and a moth.

For several weeks we enjoyed a "Clean N' Nky" march each morning. Since then we have been careful to bring a clean handkerchief every day.

We have had a very busy and a very interesting year. Miss Sever hopes that next year will be just as profitable and as enjoyable as this year has been.
